

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

October 26, 2007

Permit Number: OCRM-07-559
Permit ID: 60866

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Todd Price
c/o Dr. H. Wayne Beam
PO Box 11863
Columbia, SC 29211-1863

LOCATION: On and adjacent to Murrells Inlet Creek at 510 Rum Gully Rd, Murrells Inlet, Horry County, South Carolina.
TMS#: 197-17-08-010.

WORK: The work as proposed and shown on the attached plans consists of constructing a replacement bulkhead and new dock. Specifically, the applicant seeks to remove the existing wooden wall and replace it with a 100' vinyl bulkhead. The applicant also seeks to build a 4' x 18' walkway that will lead to a 14' x 16' covered fixed pierhead. Ebbside of the pierhead, a 3' x 14' access ramp leading to an 8' x 16' floating dock is proposed. The purpose of the proposed activity is for erosion control and the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before November 10, 2007. For further information please contact the project manager for this activity, Tanitra S. Marshall at 843-238-4528.
